BROAD CLEAN AIR **PRODUCTS**

Airpro Home,

Protecting your family's health

AIRPRO MASK

Protection for decorators, welders and miners against silicosis, Prevention of cross-infection in hospitals, Protection for joggers against exhaust fumes

AIRPRO FRESH

Fresh air in every season, Easily installed and energy efficient

ELECTROSTATIC PURIFIER

Eradicates bacteria, air pollution and pollen, A must-have for hospitals and schools

filter PM2.5 Air Heat Exchanger by 99.9% Coarse Filter

BROAD CLEAN AIR PRODUCTS OVERVIEW Mask substitution, hospitals, worksites, plants, mines, respiratory patients

| Airpro Car | FC3 | 30 m³ | 2~7W | - Filter PM2.5 by 99% - Purify in-car air | · Car · Hotel and travel | |
|---|------------------|-----------------------------|----------------------------|---|---|--------------------|
| Airpro CO ₂ A Sensor C | FC2 | 30 m³ | 2~7W | Filter PM2.5 by 99% Purify in-car air Prevent rollovers by O ² deficiency | · Car · Hotel and travel | |
| Airpro Home S | FD2 | 200 m³ | 5~20W | Filter PM2.5 by 99% Purify in-door air quality Super low cost | Single Room 10~20m ² | |
| Airpro Fresh | FF100 | 100 m ³ | 5~30W | Filter PM2.5 by 99% Fresh air heat recovery efficiency: 70% A125°C 100% fresh air, no mixed recycled air | Single Room 20~40m² | Indoor 🗢 😩 |
| Small Clean Fresh Air Machine (for home use) | SQ260 | 260 m ³ | 24~108W | - Filter PM2.5 by 99.9% - Filter infinitely tiny particles, kill microbes such as virus and bacteria, and clear away pollen - Oxygen deficiency monitoring - Central fresh air (high air pressure, air ducts can be added) - Heal recovery - efficiency; 80% - Electrostatic dust - cleaning | Big room or multiple rooms, air ducts can be added 2-4 m3/m2, can be installed on the wall, ground, or suspension ceiling | \rightarrow Indoor |
| | SH260 | 260 m³ | 24~108W | | | |
| | SQ500 | 500 m³ | 36~243W | | | |
| Small C Machin | SQ1500 | | 40~940W | | | |
| Medium Clean Fresh Air Machine | SQ1.0 | 10,000 m ³ | 0.7~6kW | Electrostatic bacteria killing Indoor air 100 times cleaner than outdoor air | Central fresh air supply for large buildings | |
| | SQ2.0 | 20,000 m ³ | 0.8~15kW | | | |
| Electrostatic Air Purifier | TB400 | 400 m³ | 13~30W | - Electrostatic dust cleaning, ozone disinfection, formaldehyde elimination, oxygen deficiency monitions, 'Filter infinitely tiny particles, kill microbes such as virus and bacteria, and clear away pollen - Similar to electrostatic air purifier with air conditioning function, need externally provided cold and hot recycled water - Global PM2.5 internet | Residences, schools, office boildings Hotels, shopping malls, meeting rooms wards, operation rooms, aseptic factories Public transport, stations, exhibition halls, meeting rooms, hotel lobbies, theaters, big arestaurants, big malls Wall-mounted | m a |
| | TA1000 | 1,000 m ³ | 28~62W | | | |
| | | | | | | |
| | TC4000 TC5000 | 4,000 m ³ | 80~360W 110~500W | | | Å |
| | EH18 | 18kW | 65~400W | | | |
| Large Aircon Purifier | EH18 | cooling cap. | 74~500W | | | |
| | EH40 | cooling cap. | 120~650W | | | |
| | KG3 | cooling cap. | 3W | | | |
| Air Manager | | for 30 seconds | | monitoring Detect Indoor & Outdoor particle quantity, temperate, as well as indoor oxygen level | | |
| Air Monitor | FG1 | detect for 30 seconds | Standby time: 7 days | PM2.5 and oxygen deficiency monitor, hundred times smaller than traditional products | Hand-held or wall- mounted | |

BROAD Clean Air Technology Co., Ltd., established in 2005, produces Fresh Air Machines with 80% heat recovery, filtering PM2.5 by 99.9% and bringing in 100% fresh air. The company also produces commercial, household and portable air purifiers and air monitor with the mission of The world's first indoor A/C terminal with electrostatic cleaner The world's first electrostatic air purifier with CO² monitoring function The world's first heat recovery clean fresh air machine The world's first miniature air detector: BROAD Air Monitor The world's first mask-type air purifier: BROAD Airpro Mask The world's first air purifier for car with CO² monitoring function - BROAD Airpro CO² Sensor

in China and around the globe. Counterfeits will be sued.
